Forster, John.
England's happiness increased, or A sure and
easy remedy against all succeeding dear years;
by a plantation of the roots called potatoes,
whereof (with the addition of wheat flower) ex-
cellent, good and wholesome bread may be made,
every year, eight or nine months together, for
half the charge as formerly. Also by the plant-
ing of these roots, ten thousand men in England
and Wales, who know not how to live, or what to
do to get a maintenance for their families, may
of one acre of ground, make thirty pounds per
